

Pick Me Up

Lyrics © Kate Northrop, Music by Anders Larsson

Verse 1

Two a.m. and this party's gettin' crowded
Bodies sway, and my feet stick to the floor
You check me out as the music's gettin' louder
Like what I see, and I wanna get some more

And in my head, everything is spinnin'
Know in my heart what I'm gonna do

Pre-Chorus

So get on over here and give me your one-liner
Come on 'n' pick me up, betcha think you got a choice
I wanna be with you 'cause nothin' would be finer
And when you pick me up, I'll be choosin' you

Chorus

Ah-ah-ah, ah-ah
Pick, pick, pick me up
Ah-ah-ah, ah-ah
Pick, pick me up

Verse 2

You wanna know where I'm hidin' my halo
You need a map, 'cause you're lost in my eyes
I don't really mind when you bring on those one-liners
I'll play the game, 'cause I'm waitin' for the prize

And in my head, I know I'll be winnin'
And in my heart, dreams are comin' true

Pre-Chorus

So get on over here and give me your one-liner
Come on 'n' pick me up, betcha think you got a choice
I wanna be with you 'cause nothin' would be finer
And when you pick me up, I'll be choosin' you

Chorus 2x

Ah-ah-ah, ah-ah
Pick, pick, pick me up
Ah-ah-ah, ah-ah
Pick, pick me up

Bridge

Gave me your number
You're goin' under
I am the hunter
Feelin' the wonder

Chorus

Ah-ah-ah, ah-ah
(Break)
Ah-ah-ah, ah-ah
(Break)
Ah-ah-ah, ah-ah
(Break)
Ah-ah-ah, ah-ah
(Break)

Pre-Chorus 2x

So get on over here and give me your one-liner
Come on 'n' pick me up, betcha think you got a choice
I wanna be with you 'cause nothin' would be finer
And when you pick me up, I'll be choosin' you

Chorus

Ah-ah-ah, ah-ah
Pick, pick, pick me up
Ah-ah-ah, ah-ah
Pick, pick me up

Chorus

Ah-ah-ah, ah-ah
Pick, pick, pick me up
Ah-ah-ah, ah-ah
Pick, pick me up
