

A Place to Grow

G. Biesenkamp, K. Northrop, D. Aubeck, D. Werner
Performed by Outdoors. Unicade Music, 2016

Verse 1

Crossed an ocean filled with all my tears
And the sea of doubt was flooded with my fears
Can't let my memories just sink like lead
Keep looking back, and move ahead

Chorus 1

And I can't go home to the life I know
I'm looking for a place, a place to grow
And my tears fall down on broken ground
Cause the place I once called my own
Is now a Battlefield

Verse 2

Step by step I need to face the truth
Nothing feels the same, everything is new
Stranded like a child that's left alone
I need to find a place where I belong

Chorus 2

And I can't go home to the life I know
I'm looking for a place, a place to grow
But my tears fall down on broken ground
Despite this empty field I'm on
My hope is strong

Chorus 3

And I can't go home to the life I know
I'm looking for a place, a place to grow
And my tears aren't dry but anyway
I still believe that someday I
Will find my place to grow

Chorus 4

I can't go home to the life I know
I'm looking for a place, a place to grow
my tears aren't dry but anyway
I still believe that someday I
Will find a place to grow
