

Bonds of Fate

Lyrics © Kate Northrop, Music by George Kochbeck

For the documentary film "*Christina Wasa: Die wilde Königin*", Arte/ZDF, June 2015

Verse 1

I'm a modern flower
Want to burst my bud
Hot colors on the inside
Burning in my blood

Verse 2

I'm a fox in winter
Hiding from the hounds
Chained by frozen hunger
Oh, dare I go to ground?

Verse 3

I'm a seed inside you
With the strength to grow
Can you be my lover
And can you let me go?

Chorus

Am I the hunter, or the hunted?
Am I the runner, or the race?
If I gave them what they wanted
Could I break the bonds of fate?

Verse 4

I'm a seed inside you
With the strength to grow
Can you, can you be my lover
I'm a seed inside you
With the strength to grow
Can you, can you be my lover
And can you let me go?

Chorus

Am I the hunter, or the hunted?
Am I the runner, or the race?
If I gave them what they wanted
Could I break the bonds of fate?

Chorus

Am I the hunter, or the hunted?
Am I the runner, or the race?
If I gave them what they wanted
Could I break the bonds of fate?

Could I break the bonds of fate?
Could I break the bonds of fate?
