

## Headphones On

Lyrics © Kate Northrop, Music by Anders Larsson

### Headphones On

#### Verse 1

Still can feel the bliss  
The rush when we kissed  
The music and the heat  
Pounding of the beat  
You're stuck inside my head  
A song I can't forget

#### Pre-Chorus

Hey you, yeah, you  
You make me feel so right  
So glad I met you  
I'll be dreamin' of you tonight

#### Chorus

I got my headphones on  
Can you believe  
I'm still playin' our song  
Singin' along  
It always reminds me  
You're just what I need  
Got my headphones on  
My headphones on  
Wuh-uh-oh  
Headphones on  
Wuh-uh-oh  
Headphones on

#### Verse 2

Still can hear the sound  
Bass that shakes the ground  
Your arms around my waist  
Like a touch of grace  
Swayin' to the band  
My number in your hand

#### Pre-Chorus

Hey you, yeah, you  
You make me feel so right  
I can't forget you  
And I'm dreamin' of you tonight

#### Chorus

#### Bridge

You're like a song  
You're like a song  
That keeps on playin'  
  
I got it bad  
I got it bad  
Hear what I'm sayin'?

You gotta call  
You gotta call  
You got my number

I'm gonna fall  
I'm gonna fall  
I'm goin' under

Wuh-uh-oh  
Wuh-uh-oh

#### Chorus
