

The Jungle

K. Northrop, C. Riesen, S. Singasong
Performed by Kiki Nam Nam, 2019

Verse 1

Standin' in my own two boots
At the side of the road
Hear my mama's voice sayin'
You can choose wherever you go

Pre-Chorus

Don't know where I'm going
But the ghosts keep calling my name
And every single step is leading me far away

Chorus

Now I'm standing on the top of the mountain
And it's only me, but who is counting now
Lookin' at the big sky makes me feel so humble
It's a start to the heart, to the heart
Of the jungle

Verse 2

Tiger in the trees listens
Every time that I breathe
Walking on velvet paws
And she knows what I feel

Pre-Chorus

Hear my nana's voice saying
You can say whatever is true
It doesn't really matter
You gotta follow your own rules

Chorus

Now I'm standing on the top of the mountain
And it's only me, but who is counting now
Lookin' at the big sky makes me feel so humble
It's a start to the heart, to the heart
Of the jungle

Bridge

Keep your pride
Keep the roots
Tiger's eye
Keep the roots
Keep the roots
Tiger's eye
Keep the roots
Keep your pride

Verse 1

Standin' in my own two boots
At the side of the road
And now I know I can choose
Where I wanna go

Chorus

Now I'm standing on the top of the mountain
And it's only me, but who is counting now
Lookin' at the big sky makes me feel so humble
It's a start to the heart, to the heart
Of the jungle
